Letter from G.W.Wells Esq., M.A.,I.C.S., Collector of South Kanara, No.Ref. 2843-30-A2 dated the 23rd May 1930:-

M 5-6 infra

The petition of M.Balakrishna, Clerk, Revenue Divisional office,Mangalore is enclosed. He was exempted by Government from examination rules to hold appointments up to Rs.35 in the old scale in G.O.No. 1405 Home (Education) dated 1-11-1918 and he was allowed to rise in the time scale up to the efficiency bar at Rs.50 in accordance with the Government Memo., (Public Department No.4251/26-5/27-6-27). He reached t

efficiency bar at Rs.50 on 1-3-27 and since then he has not been drawing increments.

2. Balakrishna belongs to the backward caste of Vaishya, a community rarely represented in the superior service of the Revenue Department in this district. There is only one individual of that community in the department besides petitioner.

3. The testimonials attached to the petition show that the petitioner was found to be a careful and hardworking subordinate by several officers. The Revenue Divisional officer under whom he is directly working at present remarks that he is hardworking, honest and intelligent with attainments that are superior to those of an ordinary school final candidate. I have perused some of the specimens of his work and he appears to me to be of good average ability.

4. I therefore recommend that the Board may be pleased to permit the petitioner under para 2 (iv) of G.O.No.722 Law (Education) dated 13th June 1922 to cross the efficiency bar at Rs.50 and rise in the time scale up to Rs. 60.

The Revenue Divisional Officer,

Humble petition of M. Balakrishna, clerk,

Revenue Divisional Office. Mangalore.

Dated: 10th March 1930.

Honoured Sir,

I beg to represent the following lines for your Honour's favourable and syppathetic consideration.

2. I am a permanent clerk of the Mangalore Divisional Office in the scale of Rs 35-35-1½-50-1-60 and have already reached the scale of Rs 50/- in that grade on 1-3-1927, having been exempted by Government in G.O.No.1405, Home (Education), dated 1st November 1918.

3. As I am an unpassed man without having the minimum educational qualification, having studied up to the old Matriculation class, I have become stranded at that stage for want of permission from the Head of the Department to cross the efficiency bar which has been fixed at Rs 50/- in the scale to which I am attached.

4. I count a total pensionable service of 16 years in the Regenue Department in addition to a permanent service of over six years in the Taluk Board Office Mangalore as 2nd clerk and Taluk Office, Mangalore as 2nd shroff; Moreover I put in three years temporary service in the Revenue Settlement Party as Assistant Superintendent from 1902-1905. In all these capacities I acquitted myself well. A kind perusal of the enclosed copies of testimonials will bear me out in this respect.

The applicant is a hardworking honest clerk belonging to a backward community. He is intelligent and his attainments are superior to those of an ordinary school final candidate. I recommend strongly that sanction may be obtained to permit him to cross the efficiency bar

5. I belong to a most backward community of which there is only one member in the permenent superior service of the Revenue Department of this District. He too is an unpass-ed man and has not been exempted to rise above the minimum -- pay of Rs 35/-

6 I need hardly submit that the inadequacy of re-presentation of the community in the Department is due to the fact that my community is very backward in education and there is no encouragement to the individuals already in public ser-vice which would give an impetus to the younger generation to receive higher education.

7. I am a very poor man with a family depending on me and I have also to educate one of my nephews at my cost. The present pay, I need hardly submit, is quite inadequate to make both the ends meet.

8. I therefore pray that your Honour may be gracious-ly pleased to obtain the sanction of the Board with a view to permit me to cross the efficiency bar.

For which act of benevolence I shall ever pray.

Your most obedient Servant.

2. The petitioner is a Vaishya by caste and there is only one individual of that community other than the petitioner in the superior service of the Revenue Department in this District.

3. He was allowed to rise up to Rs.50/- in the lower scale of Rs.35—60 and he has already reached the maximum of the scale on 1-3-'27. Since then he is not allowed to draw further increments for want of sanction to cross the efficiency bar at Rs.50/- - please see Collector's R.O.C.3228-26-A.2, -- dated 4-8-'27. In order to cross this efficiency bar, Board's sanction is necessary as laid down in B.P. 109 dated 4-9-'22.

4. In view of the ~~strong~~ recommendation from the — Revenue Divisional Officer under whom the petitioner is now working and also of the inadequacy of the representation of his community in the service, the petitioner's case deserves consideration.

ENDORSEMENT ON THE PETITION DATED: 24th March 1916:

Ever since I took charge of this division I had clerk Balakrishna in this office as an acting clerk and while new Magisterial clerks were comming in quite inexperienced in -- their work, Balakrishna with his experience of this work was so serviceable that he was for months together in sole charge of the Magisterial work and it was my idea to confirm him as clerk in the first vacancy. This note is left for my succes -sor with a recommendation that if there should be a vacancy in his time, Balakrishna may be confirmed at the earliest chance.
